

Skagit County K9 SAR

This Supplement is for first time K9 SAR applicants only.

Skagit County K9 SAR has two types of deployable team members: K9 Handlers and Field Techs. Please complete the below additional information only if you currently have a dog you would like to use in K9 SAR. Otherwise, the main application is sufficient to apply to the team. Just indicate on the application you would like to apply for the K9 team.

Applicant's Name: _____

Please provide your current dog's breed and age. If a mix, please provide the mixed breeds.

Has your dog been trained to do anything else and/or do you do any other scent or sport type activities with your dog? If so, please explain:

FYI - The following are disqualifying factors for SAR K9s: use of electronic collar, aggression toward other dogs or people, a working service dog, or excessive barking while confined in a vehicle.

FYI – All K9 handlers must be able to hike 6 miles, with a 20-pound pack, in 3 hours, and be willing to search and train in Skagit wilderness environments.

Thank you for your interest.
